

Type	Countable for FS?	Countable for BC+?	Countable for EBD MA?	Countable for CC?	UI Page type/info
Tribal Per Capita payments from gaming revenue	YES	YES	YES, \$500/mo disregard for non-LTC programs	YES, if more than \$2,000/yr	Enter OT for cases w/o EBD MA, CC, or CTS. Additional steps are needed for cases with EBD MA, CC, or CTS. See your lead about the best way to enter these cases.
General Welfare Assistance/Exclusion payments (GWA/GWE)	NO	NO	NO	NO	Enter as OTMA BUT mark as \$0 and NQ. Note in the comment box on the page what amount if any is reported. This can help with resolving potential errors due to expenses exceeding COUNTABLE income.

Please note:

- Many tribes, including Ho Chunk Nation tribal members are not currently receiving **per capita** payments.
 - Some tribes previously received Economic Relief payments due to COVID, but these ended in 2021.
 - GWA/GWE payments for Ho Chunk Nation tribal members began 07/2023 and are currently approved through at least 06/2025.
- Many tribes have different pay schedules and amounts. It's important to collect this information from any client reporting these types of income so we can properly budget any countable income.
